

1

Number 1 is big and tall,  
stand him up so he won't  
fall.

2

Half a heart says I love  
you, add a line, now I've  
made 2!

3

Two little curls for  
number 3, one for you and  
one for me!

4

Down and over, down  
once more, that's the way  
to make a 4.

5

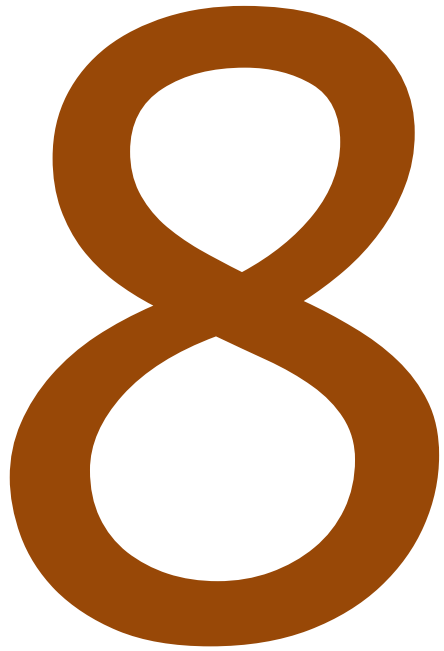

Number 5 is a funny chap, draw his neck, fat tummy, give him a hat.

6

Number 6 looks like a curl in your hair, twiddle it around to show it's there.

7

Number 7 starts with a hat, then goes down just like that.

Number 8 makes an 8,  
then go back to join it up.

9

Number 9 is like a ball on a stick, start with a c then go up and down quick.

10

Number 10 is a hero.  
First the one, then  
the zero.
